Local Giving. Local Impact

Help Move the Needle

to Build a Stronger Community.

## Local Giving = Local Impact

At **United Way of Randolph County**, we believe that real change starts at home. Guided by local values and volunteer-driven decisions, we're dedicated to making every dollar count—working together to solve the toughest challenges in our community.

With your generosity, we've been able to **invest in 14 nonprofit programs** that deliver life-changing **health and human services** to our neighbors in need.

Every gift, big or small, brings us closer to a stronger, more caring community. When you give, you help lift up someone's life—your neighbor, your friend, a child, a family. Together, we create a community where no one is left behind.

Please GIVE. Because when you do, we all win.
